Element Selected to Provide Project Management Services to the Valle Lindo School District

EL SEGUNDO, CA (September 1, 2017) – Element Consulting is proud to announce our team's recent selection to provide project management and site supervision services to the Valle Lindo School District (VLSD) in South El Monte, California.

"Valle Lindo is a strong school district with a proven history of student success and we look forward to contributing to that success by renovating learning spaces in the District," said Roger Bañuelos, President of Element Consulting. "Renovated spaces promote student learning, and we are proud to be a part of it. Thank you, Valle Lindo, for selecting Element as your partner."

Serving students from pre-kindergarten through eighth grade, the award-winning Valle Lindo School District was established in 1863 and is the third oldest district in California. With a rich history and numerous accomplishments, the district consists of two schools, New Temple Elementary School and Dean L. Shively Middle School.

Element Consulting, Inc. is a construction management company dedicated to providing clients with responsible and innovative solutions to their project needs, from inception to completion. Based out of El Segundo, CA, the firm offers program, project, and construction management services.
