### **LESLIE GOULD JOINS ELEMENT AS PROJECT MANAGER**

EL SEGUNDO, CA (March 6, 2017) – Element Consulting is pleased to announce that Leslie Gould has joined the Element team! Ms. Gould will serve as a Project Manager providing project and construction management services to the Riverside Unified School District. Due to Ms. Gould's excellent friendships and partnerships with school districts and the PM/CM industry, she also joins Element in a Client Development role to serve the Inland Empire and Orange County areas.

Ms. Gould brings over 25 years of leadership and management experience in project, construction management, and support services in both the private and public sectors. Her experience includes programming, design management, project and construction management for several K12 school districts throughout California.

Most recently, Ms. Gould was a Project Manager at Lundgren Management, where she was responsible for managing multiple projects simultaneously from programming through design, construction, and project close-out.

"I am thrilled to have Leslie Gould join Element as part of our Inland Empire team," said Michael De Vries, Project Executive – Inland Empire / Orange Country, of Element Consulting. "I have known Leslie for many years and have great respect not only for her strong project management skills but also for her natural ability to form lasting professional relationships within the PM/CM industry. Welcome to the Element team, Leslie!"

Leslie Gould is a graduate of UC Riverside, where she studied Facility Planning, and MTI College where she studied Architectural Design and Drafting. She is affiliated with various local and national trade associations, such as the Construction Management Association of America (CMAA), Coalition for Adequate School Housing (C.A.S.H.), and the Business Development Association of the Inland Empire (BDAIE), where she currently serves as the Immediate Past President. Ms. Gould resides in the Inland Empire, and in addition to her professional commitments, she is involved with numerous social causes, such as Phil's Hope - Canine Lymphoma Awareness, Education and Research (Founder and CEO), assisting the homeless, and active with volunteering at church. Ms. Gould attributes her success to her parents who raised her with respect, responsibility, compassion, drive and strength.

*Element Consulting, Inc. is a construction management company dedicated to providing clients with responsible and innovative solutions to their project needs, from inception to completion. Based out of El Segundo, CA, the firm offers program, project, and construction management services.*
