### **Element Selected to Provide Project Construction Management Services to the Baldwin Park Unified School District**

EL SEGUNDO, CA (May 8, 2017) – Element Consulting is proud to announce our team's recent selection to provide comprehensive construction management services to the Baldwin Park Unified School District (BPUSD). Our services will include design management oversight, pre-construction, project management, construction management, scheduling, estimating, and DSA project close-out.

Element will oversee the development and construction at multiple school sites including two (2) new modular classrooms for the District's Early Childhood Education (ECE) Program, and the relocation of two (2) portable classroom buildings located within the District to another District property location.

"We are excited to work with the Baldwin Park Unified School District and are honored to have been chosen for the delivery of these projects," said Nelson Martinez, Executive Vice President of Element Consulting. "We look forward to using our experience and expertise to help the District enhance the campuses."

Located in the San Gabriel Valley, and in the County of Los Angeles, the Baldwin Park Unified School District consists of twenty schools, including 13 elementary schools, 4 middle/junior high schools, 3 comprehensive high schools, and adult school, and an early childhood education center. Established in 1884, the K12 district serves approximately 20,000 students, and proudly has a Mission to "Ensure High Achievement for ALL Learners."

*Element Consulting, Inc. is a construction management company dedicated to providing clients with responsible and innovative solutions to their project needs, from inception to completion. Based out of El Segundo, CA, the firm offers program, project, and construction management services.*
